

Combs & Company Promotes Gary Duncan to Production & Traffic Manager

LITTLE ROCK, Ark. (September 19, 2005) —Gary Duncan was recently promoted to Production & Traffic Manager at Combs & Company. Duncan previously served as a Production Artist at the agency.

Duncan's new duties include the management of all service orders, budgets, job updates and revisions, and traffic. He continues to produce art on a limited basis, as he is available.

Duncan has an extensive background in print production and graphic design including work for two other Little Rock ad agencies.

Combs & Company is a full-service marketing, advertising and public relations agency offering a balance of marketing, planning and strategy combined with a top record of providing accountability-based advertising. Celebrating its 33rd year this year, the agency represents clients in retail, tourism, education, information services, transportation, government, financial services and non-profit organizations.
