Welcome to Arkansas Career Pathways, a state educational & financial assistance program.

Do you struggle to provide the things your family needs and deserves? Pathways can help.

Pathways is a new program that enables your local two-year college to offer those who qualify free career training and college classes. But that's not all. In addition to free training and college classes, the Pathways program may be able to help you overcome the barriers that have kept you from getting the training and education you need. Help with things like:

- ***Child care***
- ***Transportation***
- ***Career counseling***
- ***Job search after training***
